Southfork Temporary Homeowners Committee Minutes 4/26/03

- Under the current Corporation, the registered agent is Darlene Bocian. She has no responsibilities other than to be a contact
- Jeremy Pugh was listed as a director, however, once the original association was incorporated, his responsibility ceased
- According to the bylaws, the original association was chartered under 501C3, of the Internal Revenue Code, which is a charitable organization (donation of time is tax deductible). This code means that we cannot do any political work, no campaigning, etc...
- Legally, we need to allow one member from the Developer to be on the board. We should probably extend an invitation to Bob Laughlin
- A certified letter needs to be sent to Bob Laughlin to notify him of this meeting and subsequent meetings
- Bob Laughlin owns the entire operation; there are no co-owners. He bought them out.
- Per the by-laws, we can only have 3 people on the board, which means that we can only elect two at this time. Once elected, we can then amend the by-laws to expand the unit.
- Even though the board members resigned, there is no official dissolution of the "Southfork Homeowners Association, Inc" until it has been filed with the State

We currently have to do several things:

- Set a date, time and location for a special meeting to elect the directors
- Certify a letter to Bob Laughlin on our intentions
- Establish a bank account as soon as possible after conferring with Bob Doig, attorney, regarding a legal name

Voting process:

- We can nominate from the floor
- Voting can be by raised hand or written vote

If Bob Laughlin shows up for the meeting, he will automatically have 41 votes (properties that have not sold yet).

As a current property owner, you will have 1 vote per unit, not two as husband and wife or domestic partners.

According to the letter received from Bob Laughlin, informing us of the resignation of the board members, BobCat Meadows Water District MIGHT take ownership of the white fence around the perimeter of the Southfork property. Please note, this has not been confirmed yet and it may fall to the property owner's responsibility for the section that butts up to their property.

The next committee meeting will be Saturday, May 3rd at 9Am at Dan Wilson's home. The Election Meeting will be on Wednesday, May 14th at 7PMat a location TBD. We need to check on the availability of the Falcon Elementary School.

Some questions for Bob Doig, Attorney:

- 1. We need clarification on the name covenants vs. bylaws.
- 2. Dissolution of the old entity
- 3. Are we responsible for returning of the association fee that was paid or anything else if we keep the same name?
- 4. Which association do we belong to legally?
- 5. Do we have to incorporate the association? Can we be a partnership? What will be the best cost effective method to the homeowners?

Something to keep in mind when we draft the letter to the homeowners - Stress that if we do not act and get everyone's participation, Bob Laughlin will be back in doing the same things he did in the past.

Terrie Weaver
